FOREST HILL FASHION WEEK

22 - 25 SEPT 2016

ABOUT FHFV

While the main London Fashion Week wows the crowds in central London, in Forest Hill we have our Fashion Week to get inspired by fashion to create, design and make - whatever your talents and interests, there's fun at our fashion-inspired events to be had by all - and it's all FREE.

With workshops on everything from cupcake decorating to interior design, craft sessions, vintage jumble sales and a clothes swap, there's something for everyone. There's even a catwalk show live on Forest Hill's high street, with local people modelling clothes by up and coming London designers and local shops. The truly inspiring Pavement to Catwalk organisation will also be staging a show of their own work too.

Your chance to get creative in the name of fashion Forest Hill!
