

## START 2019 WITH A BANG UPSTAIRS AT THE SIGNAL

This January, wave goodbye to the post-festive blues and enjoy a bite, a beer and a laugh at neighbourhood pub favourite, The Signal, in Forest Hill. Head upstairs to the Control Room and delight in a variety of entertainment throughout the month, including open mic nights, comedy sessions, film screenings, DJ sets and gigs. Come the weekend, The Signal's indulgent bottomless brunch every Saturday is a must, or take part in the popular Sunday night quiz hosted by Question One after tucking into a hearty roast alongside craft ale.
